Wildcat Tennis Camps

For over forty years we have been dedicated to encouraging and instructing all levels of tennis players. Our emphasis is on the individual; our goal is to improve each student's playing ability and enjoyment of the game. To accomplish this, we accept a limited number of students. The students work with excellent tennis instructors individually and in small groups. The instructors analyze and build on each player's strengths and work to improve weaknesses. Join us for a week of learning, improvement and fun.

The Davidson College tennis facility is one of the finest in the country with four indoor courts and 12 outdoor courts. Also available to campers is the Baker Sports Complex with a gymnasium, indoor Olympic size pool, racquetball courts and weight room.
