The LNTC Tennis Camp is a dynamic synergy that will ensure participants the opportunity to experience learning, improvement, match play, team competition and camaraderie in a fun and spirited setting. The daily schedule is designed to help adult and junior tennis enthusiasts of all levels improve their game with featured skills training each day. The comprehensive curriculum will focus on groundstrokes, volleys, doubles tactics, overhead and serving techniques, as well as classic game strategies. So, whether a player needs to be introduced to the game, is an avid league player or is ready for a National Tournament, the camp will certify an incredible learning experience.

FRIDAY SEPTEMBER 24TH
5pm-7pm

C'mon! Get yourself pumped up Aussie style as you are introduced to the dynamics of the Nick Kyrgios ground strokes and effortless baseline movement. These clinics feature big-time shots, inside-out forehands, approach shots and passing shots on the run.

SATURDAY SEPTEMBER 25TH
9am-12pm & 2pm-5pm

In the morning session, learn the Roger Federer like volley game, and you too, can dominate the net just like the 20 grand slam title champion! Attack, approach, scissor kick and dive like Fed Dog at the end of the day. Warning: this day may include blood, sweat and tears! In the afternoon there will be a round robin event for all participants with snacks and drinks.

SUNDAY SEPTEMBER 26TH
8am-12pm

Even though the Bryan Brothers teamed up to win 16 Grand Slam Titles, they will have nothing on you once you complete the doubles day one of the best clinics of the camp. Move, shift, poach, react, return serve and so much more to look forward to in this very rock-solid session.
